THE GOLDEN HANDCUFFS

1

You've got seniority,

But the raise still doesn't match it.

2

‘Just one more year’

...is what you told yourself last year too.

GOOD NEWS

Your experience is worth more outside the cubicle too.

Build a part-time or full-time career in financial planning, starting from where you are:

1

Keep your current job

Start part-time, on evenings and weekends.

2

Earn on effort, not tenure

Your income isn't capped by years of service.

3

A supported start

Training, a mentor & financial support for serious joiners.
