MEANWHILE

Half of Malaysian employees earn

RM2,940
or less a month

When prices keep climbing, **one income has less room to breathe.**

AdvisorX

3 ways to stay ahead of rising costs

1 **Track where it goes**
Know your real monthly spending.

2 **Grow a skill that pays**
Invest in what raises your value.

3 **Build a second income**
So you're not relying on one paycheck.
