SELF-CHECK

5 signs you're stuck, not just busy.

(And what to do about it.)

Count how many fit you →

AdvisorX

1

You've stopped expecting

next year to be different from this one.

2

You've outgrown the role,

but not the title. Same tasks as 3 years ago.

Photo: free stock photo

3

Payday barely covers

the rising cost of living — this year's raise too.

4

You dread Monday

more than you enjoy Friday.

5

You're staying for ‘stability’

The paycheck is steady. Your peace of mind isn't.
